Learn by Doing

Learn by doing is a learning science principle that proves **practice has about six times the effect on learning than reading**.

Provide your students with more opportunities for prep, practice, and focus with Bookshelf's CoachMe's AI-generated questions.

Take a Look

Find practice questions in the margin and knowledge checks at the end of the chapter.

Proven by Learning Science

Our Research and Development Team utilizes academic and industry research every day in the development and design of VitalSource products. Our commitment to rigorous, data-driven research is active and ongoing.
